## Profile

I'm happy to say that I have gained 1 year of valuable experience at Stats Perform Pvt Ltd, where I worked closely with industry-leading sports data tools such as Opta and Opta Core. This experience has allowed me to contribute to real-time sports analytics and enhanced my ability to work in fast-paced, data-driven environments. I'm eager to apply my theoretical knowledge to real-world problem-solving, collaborate with dynamic teams, and continue developing both my technical and leadership skills in the sports tech industry.
